File types: PDF files are preferred, but we can also print from
JPG/JPEG, TIF/TIFF and EPS.

Fonts and Images: for files saved in a vector format (PDF/EPS), fonts
must be converted to outlines, and images
must be embedded.

Color mode: Please submit your file in CMYK color. Files submitted
in RGB color will be converted to CMYK, and Visual Solutions, Inc.
can't be held responsible for any color shift that may occur.

Dimensions: Files should be sized to match the dimensions of the
graphic you're ordering.

Resolution: File resolution should be at least 150dpi, and not exceed
200dpi. We can print files at lower resolutions, but we can't be held
responsible for the quality of the resulting print.
